

Dudley District Scout Uniform Shop

Purchasing New and Used uniform from the local Scout shop in Dudley directly supports the charity — with every sale helping fund new opportunities, resources, and development for young people across the movement locally.

Unlike online retailers, this shop reinvests proceeds into local Scouting, enabling more camps, activities, and leadership programmes. Customers can also try on items in person, ensuring the right fit before buying. Please note: card payments only are accepted.

If you have recently joined scouting this will be your first stop before getting invested.
